

A SAFE MEDICATION SYSTEM includes Proper Use of the MEDePen

Four **Easy** Steps to ensure
your pharmacy receives
your medication orders:

1. Confirm **green light** on the digital pen is on.
-- means it is charged and ready to write the prescription orders.
2. Check the pen is **securely docked**.
-- after the prescription orders have been written.
3. **Watch** the computer screen for the
transmission message.
*-- confirm computer is on and connected
to the Internet.*
4. Double check the **on-screen viewer**
before the end of your shift.
-- click the "View Facility Orders" icon to open up each order on-screen.

Working with pharmacy saves time!
